

Title: All About Florida

Glow – Maya, You did a terrific job teaching your reader all about Florida. Each part of your story told different information about the topic. You also used great vocabulary words.

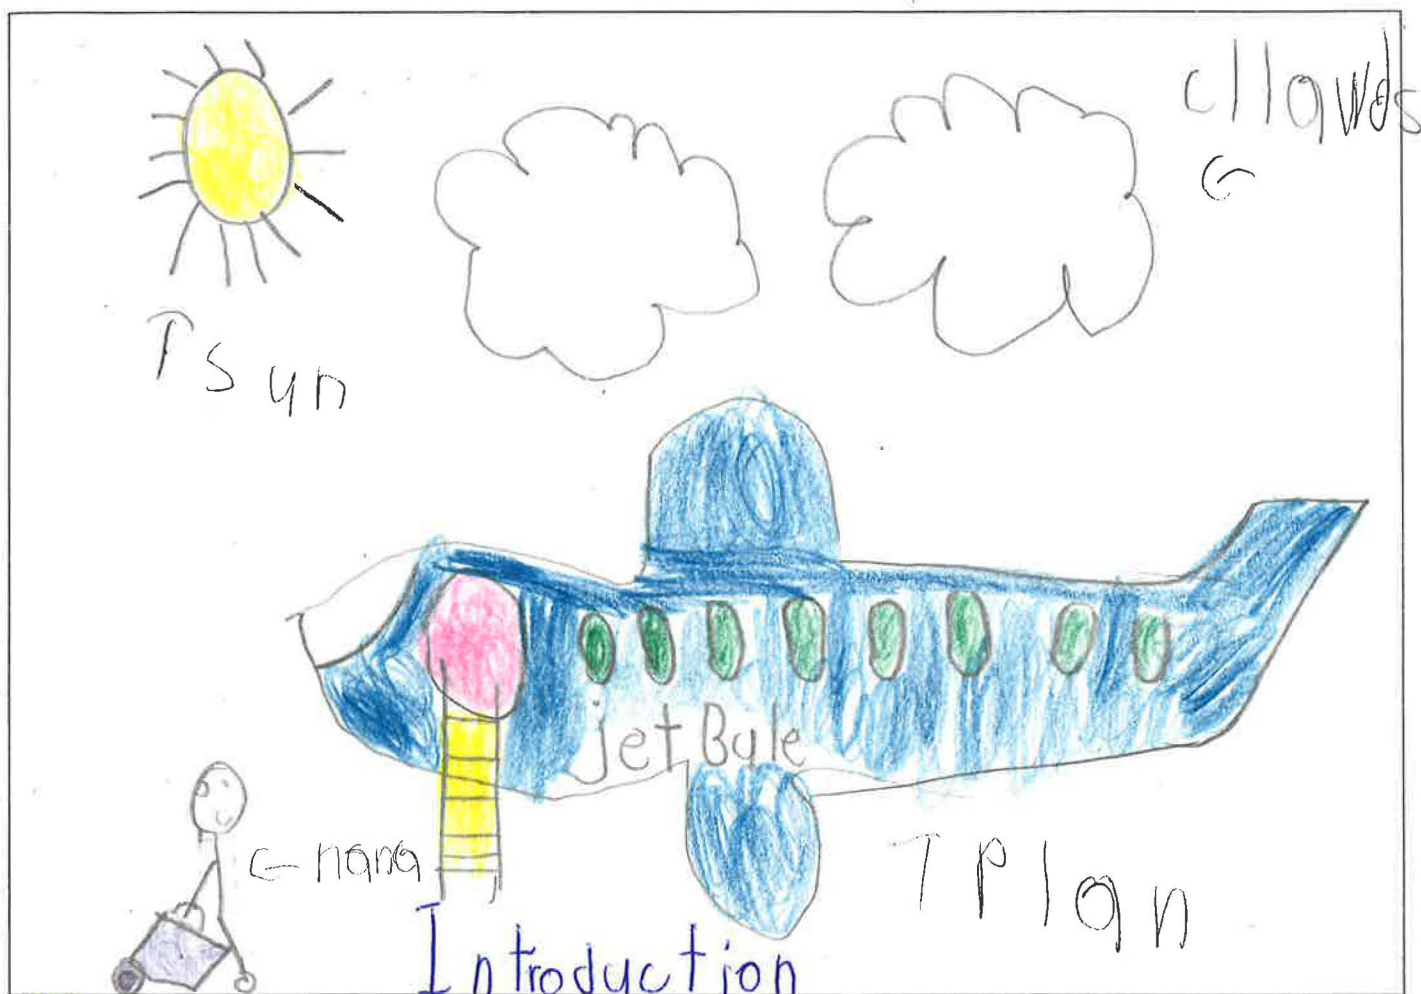

Grow – Next time, try to write a little more on each chapter. You can always get more paper and add a page to elaborate on a chapter.

How to get on a ~~railroad~~
 railroad. 1) First you pick
 a ticket and then you set
 down and then you need
 to put on or set belt.
 2) Then you will hear a
 loud sound and if you
 don't know what
 it means. It means that
 the ride is about to
 start.
 3) Finally, you are going
 to go forward and
 back and that
 means that the
 ride is starting.
