

Glow – Maya, you did a wonderful job engaging your reader with an interesting beginning. In your review of Nate The Great and the Snowy Trail, you wrote specific details of why you liked the book!! It definitely made me want to read it.

Grow – your next step is to elaborate on your reasons with saying such as or for example. You also can quote a friend or compare it to another book to really convince your reader.

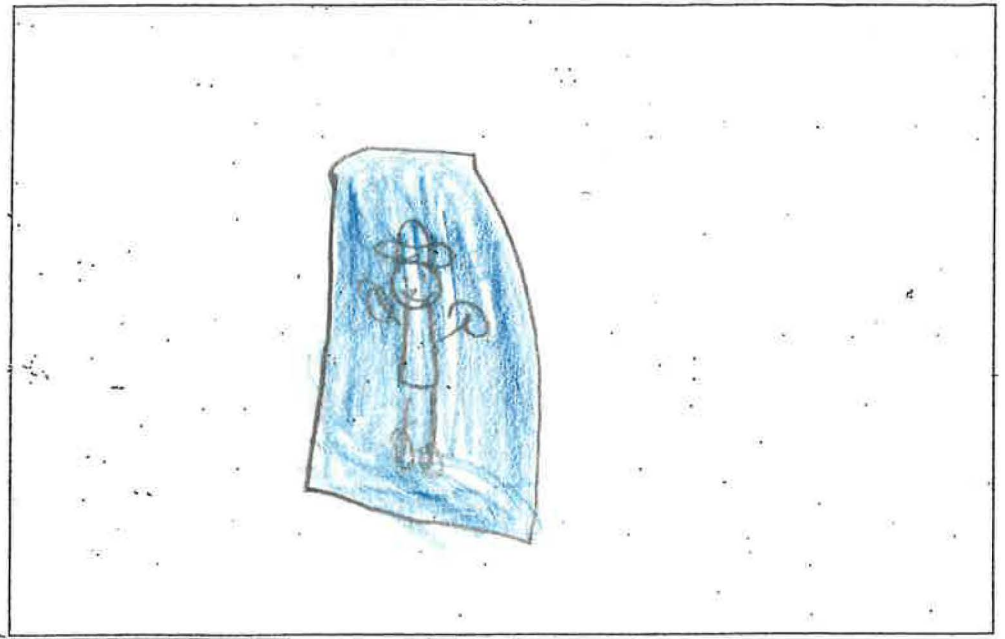

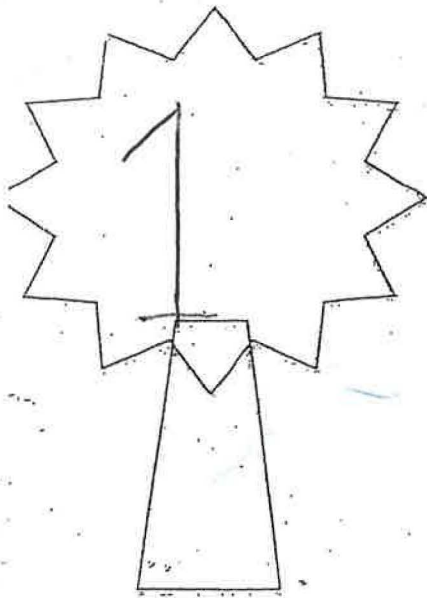

Nate The Great and the Snowy Trail

Book Review

By

Maya Zuniga

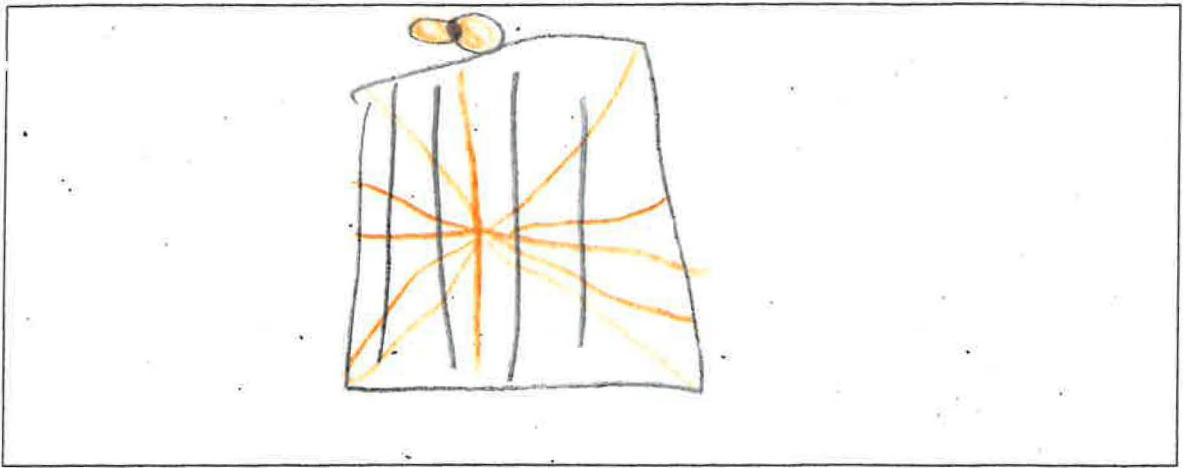

Do you like mysteries?

Or ~~do~~ do you like solving

problems? In my

Dipinyin the book

Nate The Great And

The Snowy Trail is the

best book. It is about

a lost peresint. The

peresint got lost in a

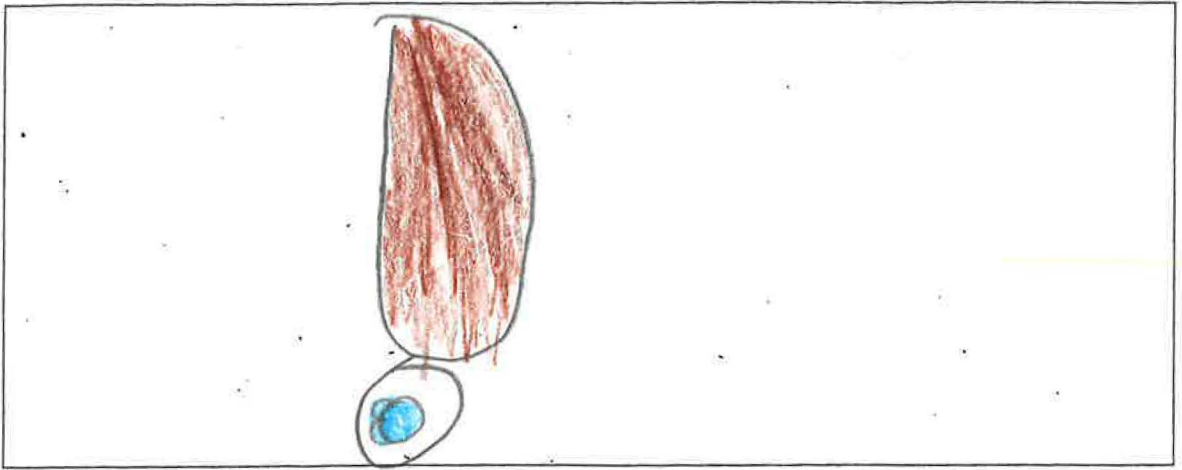

mstiereist way and Nate

the Great has to find it.

    As soon as you read

    my Retel go and get the

    book.

My first Reson is that

Nate The Great ascs

qwesh tuns to get c/flos.

he done this when he

looks for the pre^{ce}sint.

My Secont Reson is that

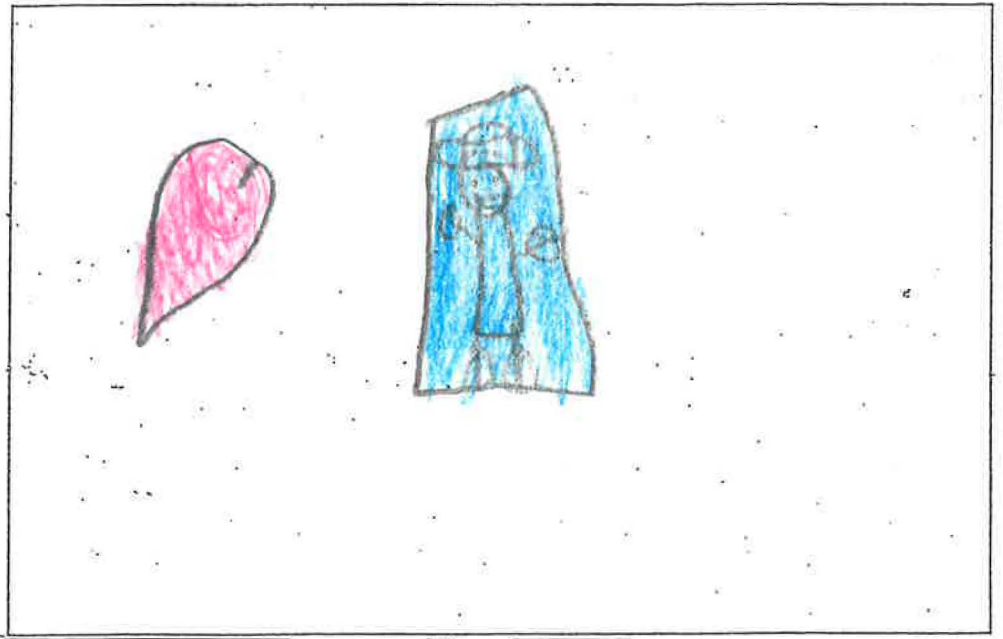

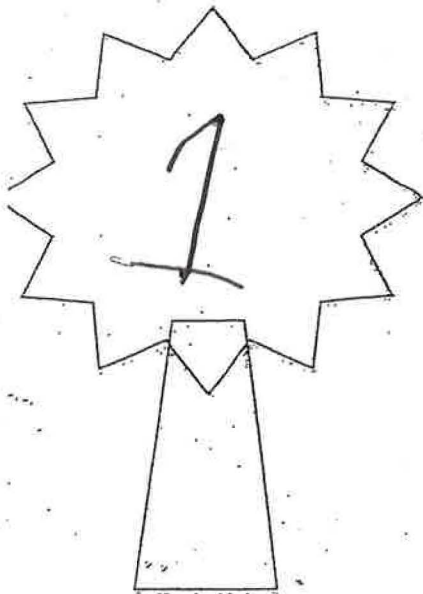

Nate The Great indpendit.

Like he works a lon.

he done this when he

looks for the pree sint

to.

So now go and get the

book. So are you inshtstid

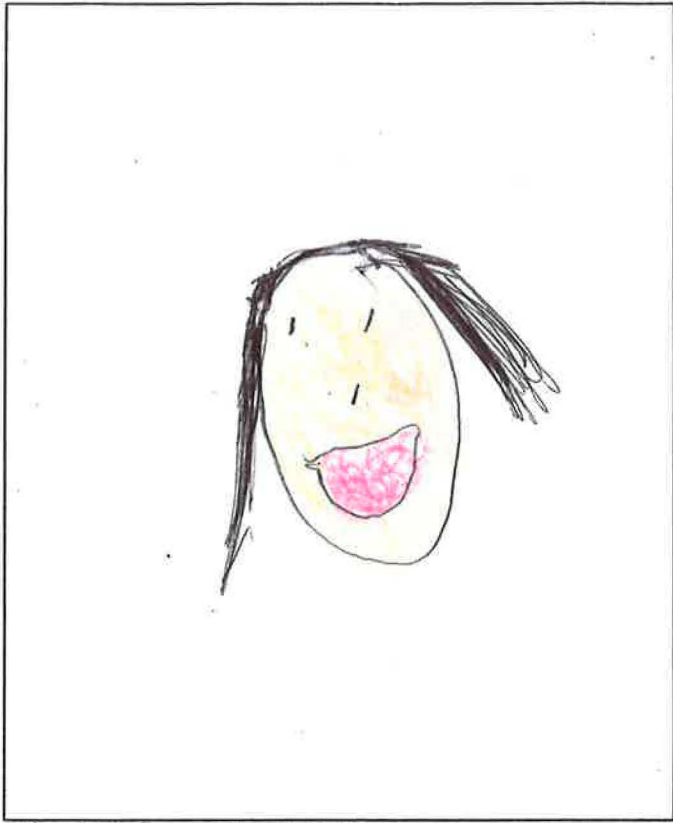

in the book to now?

and i hop you love the

book, i hop you love the

I did book as much as
